

*another bird on a wire*

bird on a wire  
sing that song for me  
a beautiful symphony  
ringing round in my head  
bird on a wire  
you belong with me  
beautiful empathy  
ringing round in my bed

making it real  
making me feel like  
tomorrow would never come  
so come on and bang my drum  
cos this very moment  
you are the one

bird on a wire  
always be there for me  
part of my destiny where  
angels fear to tread

bird on a wire  
follow me  
part of a history  
of a love that was shared

just for a while  
can you make smile  
like this was an endless day  
and you'd never fly away  
never have to search  
for my heart up on a perch

bird on a wire  
when the morning came  
caught in the city rain  
running tears through my eyes  
bird on a wire  
your over me  
still deep in my memory  
and i'll never forget

the time that we had  
couldn't be bad  
felt like tomorrow was already here  
i hadn't a care  
and no fear

my dear  
you're my bird on a wire  
another bird on a bird  
you're my bird on a wire  
you're my bird on a wire  
another bird on a wire
